

# ***ConneCT Kid's Committee***

## **Meeting Minutes**

*April 11, 2002  
2:00 PM*

*Commission on Children, 18-20 Trinity Street, Hartford*

---

Attendees: Felicia Canty, Al Duran, Meg Enkler, Pat Estill, Dick Hemenway, Miriam Rodriguez

1. The Committee discussed details regarding the possible move of the website to the Commission on Children. Al Duran suggested that we develop a strategic business plan so that Legislative Management will have clear picture of our goals and mission. Al created and circulated a draft for consideration, which I have also circulated with this document.
2. Pat Estill contacted Paul Alderucci, Manager of Applications Development, Legislative Management, concerning the move as the ConneCT Kids website would be hosted through their computer network. Paul has since contacted me and has indicated that the move can be done with few, if any, problems. We will meet in the future to make final preparation. Paul has also agreed to join our committee. There is a possibility that the site URL might not need to be changed.
3. The Committee discussed developing the Visiting Teacher pages that were proposed last year. Dick Hemenway will re-circulate those pages and the guidelines for review.
4. Meg Enkler expressed a desire to post information on the website about the DEP school composting program. She will forward material to me for the development of some sample pages.
5. The Committee agreed to begin planning for a Youth/Teens/Young Adults forum in the Fall (October). We will continue the planning at future meetings.
4. Pat Estill will continue to investigate the possibility of securing the services of student interns as soon as possible.
5. The Committee selected the following three schools for the May 2002 Featured School Websites pages: Highland Elementary, Cheshire; Dr. Helen Baldwin Middle School, Canterbury; and Masuk High School, Monroe. The new posting was done on April 28, and the certificates and letters were sent to the school May 1, 2002.

6. Next meeting date is Thursday, May 16, 2002 at 2:00 PM at the Commission on Children.

Dick Hemenway
